

NWSEO 2018 – Central Region Delegates INITIAL DRAFT REPORT

A delegate holds one vote for each NWSEO member in the branch represented. On the initial lists below you will see the information on last year's number (total votes from 2017) for the Delegate Incentive Program for attendance to the NWSEO Convention (under At a Glance) and the **current** number of votes listed at the branch the delegate represents (under By Branch). We are posting to resolve any discrepancies before the numbers are certified for the upcoming NWSEO Convention. Please keep in mind that the delegate may not be able to cast the number of delegate votes listed because any NWSEO member who attends the National NWSEO convention is entitled to cast their own vote (thus reducing the number of votes that the delegate will cast). **These preliminary results are also subject to the NWSEO members in attendance at the NWSEO Convention.**

Please contact Credentials Committee Representative Martin Lee (lee55803@gmail.com) for corrections if there is any discrepancy on the information listed below.
