NWSEO 2018 Elections – List of Delegates and Votes per Branch

(July 5, 2018) The 2018 NWSEO Elections will take place at the NWSEO National Convention in Pittsburgh, PA on September 30 and October 1 this year. This is a Sunday-Monday convention.

This year, we are posting on <http://nwseo.org/convention.php> the names of the delegates from each branch. Please review this important information and report any updates and corrections to the Credentials Committee Member identified on the list. The delegates will attend the convention and vote on the issues on the convention agenda and participate in voting during this year's election of NWSEO Regional Chairs and Vice Chairs.

A delegate holds one vote for each NWSEO member in the branch represented. On the lists below, you will see the number of votes available at the branch the delegate who represents it. Please keep in mind that the delegate may not cast all of the available votes because any NWSEO member who attends the convention is entitled to cast their own vote (thus reducing the number of votes that the delegate will cast).

If a delegate cannot attend the convention, the alternate delegate will cast the designated votes for the branch.

These preliminary results are subject to the NWSEO members in attendance at the NWSEO Convention. Each region's page will be updated weekly as the votes for delegate are certified by the NWSEO Elections Credentials Committee.

As noted in this year's Election Letter, any member who accumulates a minimum of 25 percent of the Region's available delegate votes (which must include delegate votes from at least two branches from Regions that have more than one branch), NWSEO will reimburse reasonable airfare**, 2-nights lodging at the Convention hotel, and approved group meals for attendance at the 2018 NWSEO Convention at the Pittsburgh Marriott City Center. The 25 percent threshold will be based on the certified 2017 total votes for each respective region.

The annual convention is open to all NWSEO members. You are encouraged to attend, participate in discussions and vote. If you attend the convention and are not a delegate you will cast your own vote and the delegate for your branch will have one less vote to cast on behalf of your branch. For more information on the NWSEO elections and the National Convention, please read the Elections Letter posted at <http://nwseo.org/convention.php>.

To submit updates, corrections or changes to the delegate lists or branches, please contact the Credentials Committee Representative listed on that specific region's Delegate Count Page by Monday, August 20, 2018.

***In order for airfare to be reimbursed, you must be able to provide documentation that it is the lowest available rate, purchased at least 21 days before the convention, unless approved otherwise. Printed copies of airfares from Expedia or other travel sites will serve as documentation. Government travel. ie SATO/CWT is NOT acceptable.*
