## **2016 NWSEO Minimal Dues Increase is 26 Cents per Pay Period**

**Thank you for your support of NWS Employees**

(January 12, 2016) Active NWSEO membership is the lifeblood of our professional organization. It is through the strength of our members that NWSEO has the ability to save jobs and programs, and forward the life-saving mission of the National Weather Service.

NWSEO dues for 2016 are set at only one percent of your salary to a maximum per pay period amount of \$22.06. This new amount reflects a minimal increase in dues for 2016 at just 26 cents per pay period. The rate usually increases each year in accordance with the OPM salary rate increase for the rest of the United States. The rate is set by the convention, which tied the increase to the rest of the USA Cost of Living Adjustment.

If you pay by credit card, monthly dues for 2016 are \$47.80. Semi-annual dues for 2016 are \$286.78 and annual dues are \$573.56.

NWSEO is the only organization with the ability to lobby Congress and the Administration to preserve NWS jobs, promote better working conditions and career promotions for the NWS, and participate in collective bargaining. Thank you for your membership.
