

## **NWSEO Membership Support is on the Rise Can you help us reach our goal of 200 new members this year?**

(July 6, 2017) NWSEO is growing strong thanks to our dedicated members and the information they share about the work of our professional organization. Since the September 2016 Annual NWSEO Convention, NWSEO has welcomed 155 new members! New members tell us they've joined because of NWSEO's continuous work to improve working conditions and preserve NWS jobs. They realize that NWSEO works closely with members of Congress to preserve NWS positions. It was the work of NWSEO that enlightened Congress on the vacancy crisis which resulted in the 2016 Government Accountability Report on the NWS vacancies. Our members understand the importance of negotiating a Collective Bargaining Agreement that will shape the NWS of the future.

Additional NWSEO perks such as the NWSEO negotiated \$300 Health and Wellness benefit for all NWS employees and the members' only HotelStorm website offering up to 60 percent off hotel rates are a few of the benefits members recognize as the work of our professional organization.

NWSEO appreciates the support of all of our members and welcomes the 155 new members this year. We've made a goal reach 200 new members by NWSEO 2017 National Convention on September 18-19. We believe, with your help we can reach this goal and if you act now you may still be able to earn the Recruitment Incentive\* to attend the 2017 National Convention.
