

The Four Winds

National Weather Service Employees Organization

We're gearing up for the -

NWSEO March Madness Membership Drive!

(February 24, 2020) Last week, NWSEO Membership Director Christy Fox distributed lists of non-members to every region, steward and vice stewards. Now is the time to reach out to your colleagues and share your NWSEO experiences & stories and invite someone to join!

Each of you, and the members you recruit, are the lifeblood of our professional organization and makes everything we do on your behalf possible. **Keep watching NWSEO Facebook and your email inbox for additional updates** during March Madness, including recruiting tips and resources, a summary of incentives available to anyone you recruit to join NWSEO, testimonials, and videos from other members and officers, and "*fast breaks*" with other information to help you.

Here are a few resources for you to post now and share with your members:

And of course, you can contact your COACHES, your Regional Chair, Vice Chair, or Membership Director at any time if you have questions, suggestions, need help talking to a coworker about joining NWSEO, or for any other reason.

NWSEO membership is currently at 1,615 active members just off the Record High of 1,632 Members in August 2019. That's 1,615 people who can actively recruit, get new NWSEO members, reach the "Final Four," win cash prizes ranging from \$200 to \$800, get an all-paid trip to the **NWSEO National Convention at Caesar's Palace in Las Vegas on October 12th & 13th** and reach our goal of 1,700 NWSEO members!!

Let's make NWSEO stronger than ever!
