

NWSEO Members

save up to 60%!

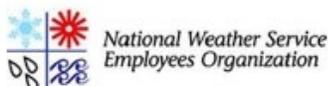

Did you know? The National Weather Service Employees Organization (NWSEO) is partnered with HotelStorm to provide *Members' Only* Cost-Savings Benefits for Travel.

NWSEO teamed up with **HotelStorm** in early 2017, for exclusive hotel discounts available only through NWSEO membership.

The savings is often 10-55 percent greater than other online travel websites and may prove especially helpful when the government rate is not available due to high hotel occupancy. Additionally, the savings members receive through HotelStorm may also apply to Gain Sharing Travel Savings opportunities with the National Weather Service – putting even more money in your pocket. The Gainsharing Travel Savings Program Policy is detailed under the Collective Bargaining Agreement Article 23, Section 5 with an attached clarification. Under the Gainsharing Program Policy, the National Weather Service agrees to reward employees who save the NWS money while on official travel. These savings will apply to the use of less expensive lodging and airfares. Please read the full agreement for more details.

Due to contractual agreements, this is a NWSEO membership only perk and requires a password to use. Join NWSEO (click here: [2019 Membership Form to JOIN NWSEO](#)) and start saving on your next travel adventure today!

Membership is the strength behind NWSEO. This year, increasing our membership support is critical to NWSEO's success as we work to negotiate the new Collective Bargaining Agreement, protect jobs, and fill understaffed offices. We want you to be aware of the continuous work of NWSEO, the \$300 Health and Wellness Benefit secured by NWSEO for NWS employees, Membership Enrollment Incentives & Rewards and the many achievements of our professional organization for all agencies we represent, found on our website, www.nwseo.org.

*TIPS & PLACES TO TRAVEL IN THE U.S.A.

Ft. Lauderdale, Florida

Everyone will find something they adore here, from exceptional shopping at [Sawgrass Mills](#) to world-class art at [Art Fort Lauderdale](#) to a wide selection of museums and outdoor activities.

Sante Fe, New Mexico

In 2019, travelers who like to get active may enjoy joining the 34th annual [Santa Fe Century](#), a spring cycling event open to all levels of riders along the Turquoise Trail, or heading out into the Santa Fe National Forest. Santa Fe's [Margarita](#) and [Chocolate Trails](#) are there to replenish you after your adventure vacation.

Nashville, Tennessee

This Tennessee city has been bubbling even more so over the last few years, making a name for itself in not just music, but art, innovation and fashion. This, coupled with the building boom generated by the publishing and healthcare industries, makes Nashville an easy shoe-in for that next hot American city. Be sure to stop at Nashville staple, Monell's, and bring back some biscuits!

Fort Collins, Colorado

Visit [Farm Fusion](#), to enjoy farm-to-table delicacies and learn how they are made with interactive instruction. Similarly, at the newly opened [Ginger & Baker](#), participate in a demonstration dedicated to spreading the enjoyment of healthy, local food. FoCo is also packed with ample adventure – hiking, fishing, whitewater rafting – within minutes of town.

New York

New York City has always been the show-stealer of New York State; and in 2019, as hosts of the World Pride Celebration – along with the expansion of MoMA, the opening of the Statue of Liberty Museum and the unveiling of the new retro-chic TWA Hotel at JFK – that's not likely to change. Catch an event at the newly opened National Comedy Center, an hour away in Jamestown and, 90 miles from New York City in Sullivan County is the home of Bethel Woods – a.k.a., the site of Woodstock – which will be celebrating its 50th anniversary this summer with tons of events.
