“The NWSEO has worked hard to ensure that the rights of the bargaining unit are always protected. I should know, I have been a member of the NWSEO for almost 20 years. During those 19 years, I have served as a branch steward for my local office for almost half of that time. The NWSEO supports all of us. Join NWSEO today so that support can continue tomorrow!”

“I have always seen how the NWSEO has shown unbiased support for all NWS bargaining unit employees during my 25 years of government service. Not until recently, the last 5 years, have I enjoyed and taken advantage of the benefits by becoming a member and taken on the rewarding role of local branch steward.”
